BLOOD STAINS

Which Fall Upon Every Portion of the Country Leaving an Indelible Stain.

A Wealthy Farmer Shot in His Door Yard—A Murder and a Suicide.

Serious Trouble in Louisiana—Terrible Heat—A Variety of Various Views.

Trouble in Louisiana.

NEW ORLEANS, La., Aug. 18.—A special to the *Picayune*, from New Iberia, says: Early yesterday morning Gall & Pharr's saw-mill was burned, it is believed by an incendiary, as threats to fire the town had been made. Loss, \$20,000; no insurance. Pharr, one of the owners, is a member of the militia and has taken an active part in the present trouble. This incident has increased the excitement here.

MORE TROUBLE.

NEW ORLEANS, Aug. 18.—The *Times-Democrat's* New Iberia special says: "Warrants were issued Saturday evening to Sheriff Veasey for the arrest of Sheriff Victor and Deputy Clerk Etie, who are in custody at Odd Fellows' hall, under guard by the militia. The sheriff read the warrants to the prisoners and fixed Victor's bond at \$5,000 and Etie's at \$1,000. They were given until 6 o'clock that evening to furnish bond, but failed to do so. A few minutes after 6 o'clock all the militia forces here formed in front of the Odd Fellows' hall. The prisoners with Armetine the ex-jailer, were brought out and delivered to Sheriff Veasey. A column was formed on Main street of militia and marched to the jail where the prisoners were locked up. The jail was then surrounded by the militia and guards were placed at the corner of the streets. No one was permitted to go through without a pass. The Louisiana field battery were ordered home, but as there was some talk of disturbance after the New Orleans returned home, they were again ordered to remain until relieved by other troops. Victor's supporters have little hesitancy in saying that they do not recognize Judge Gates and the state government. The merchants are watching their stores and vigilant watch is kept for fear of incendiarism. Judge Fontenbleu states that he has thousands of friends here that he could call on if he so desired. He is much incensed at Victor's arrest, but moves about without saying much."

Killed But Not Captured.

LEXINGTON, Ky., Aug. 18.—It was learned yesterday that Alsop and Graves, convicts who escaped from the penitentiary at Frankfort during the last revolt, had been seen in Woodford county, coming eastward. A sheriff's posse was quickly made up and started in pursuit of them and ran them down near the Walnut Hill pike. A running fight was opened, in which George Cassell, one of the posse, was killed by a shot from the convicts, who took refuge in a corn field. They were finally discovered and the whole posse fired a volley. Graves was killed and Alsop is dying.

Two More Bad Characters Gone.

NEW YORK, Aug. 18.—A rugged locality in the town of Harrison, Westchester county, known as "Nigger Hills," was the scene of a frightful tragedy yesterday morning. A big, burly colored man named Jack Brower, who for years has been the terror of the surrounding country, shot and killed, in her own house, Mrs. Elizabeth Barker, a colored woman with whom he had been intimate, and several hours later he went back to the scene of his crime and blew his own brains out, falling dead by the corpse of his victim.

Rough on Railroad.

NEW YORK, Aug. 18.—Mayor Edson vetoed the resolution granting the Broadway Surface railroad the right to operate a railroad on Broadway, also vetoed the resolution granting the Commercial Cable company the right to lay its wires underground.

Sue Him for Libel.

ALBANY, Aug. 18.—General Logan telegraphed the evening *Journal* from Jamestown that he never told ex-Senator Barnum that he believed Garfield wrote the Morey letter, as was stated in a New York paper.

Terrible Heat.

DOVER, N. H., Aug. 18.—A torrid wave of day caused the suspension of all out-of-door work. The mercury registered 100 at 11 o'clock. Several people were prostrated.

The Mob Has Subside.

IOWA CITY, Iowa, Aug. 18.—An immense meeting of citizens was held in this city yesterday and last night at which the riotous proceedings of last

Wednesday were condemned and an organization effected to assist in preserving order and enforcing the laws. There has not been the least disturbance in this city since the outbreak last week and reports about the city being in the hands of a mob has been grossly exaggerated. The cases against the alleged ring leaders of the mob will be pushed to the end.

Killed in His Own Door Yard.

MATTOON, Ill., Aug. 18.—Nicholas Hubbard, a farmer living ten miles north east of this city, was shot and killed in his own door yard last night on returning from a camp meeting. The neighbors heard his cries for help and going to his assistance Hubbard was found dead with a bullet wound in his head. Two dogs were standing guard over his body. Suspicion attaches to Thomas Chapman, who had been in his employ for several weeks, he having been seen lately in that locality. Robbery is supposed to have been the cause of the deed.

A New Manager for the Union Pacific.

ST. LOUIS, Aug. 18.—A dispatch from Kansas City says that T. F. Baker, vice-president and general manager of the Northern Pacific, arrived there after making a tour of inspection over the entire Union Pacific system. It is reported that this trip was preparatory to his acceptance of the general management of the Union Pacific.

Enough Alike to be Brothers.

QUINCY, Aug. 18.—It has been rumored here that Dickinson, lately cashier of the Wall street bank, was seen leaving Albany en route for Quebec and it is generally believed he came here as the guest of John C. Eno. A reporter called upon Eno, who stated that the story, so far as it related to him, was a fabrication. He is not a relative of Dickinson and never met him.

Rain Badly Needed.

CLEVELAND, Aug. 18.—The continuous dry weather has for the second time this summer caused great injury to the corn crop as well as to tobacco, pasture and vegetables. There has been no rain in Northern Ohio and Indiana for nearly three weeks. The weather to-day is very hot and the sky clear.

The French Flag Waving.

PARIS, Aug. 18.—A dispatch from General Melot, dated Hanoi, Aug. 17, says: I have published a proclamation to the people, coupled with an ultimatum regarding the regent's pretensions. The French flag has been hoisted over the citadel at Hue, capital of Annam.

Not Consulting the Other Officials.

ST. LOUIS, Aug. 18.—James F. Joy, the new president of the Wabash railroad, is here in close consultation with General Manager Talmage and other officials of the road but the special reason of his visit has not yet transpired.

He Wanted a Melon but he got Shot.

TERRE HAUTE, Ind., Aug. 18.—Elias Littleton, living near here, caught a boy in his watermelon patch yesterday and filled him with 100 bird shot. It is thought the boy will recover.

Pittsburg.

SKEMA, Ala., Aug. 18.—Mercer & Co., dry goods, assigned. Assets and liabilities unknown.

Gov. Hendricks Home Again, Contented and Pleased With the Outlook—Logan's Denial.

The Cholera Epidemic at Toulon Reviving—The Cranky Pittsburg Chief of Police.

The Candidates.

INDIANAPOLIS, Aug. 18.—Governor Hendricks and his wife returned from a three weeks' stay at Saratoga and other eastern resorts yesterday. He says that he expected Governor Cleveland's letter of acceptance to be made public Saturday, and as it was not he has no doubt it will be given to the newspapers within a day or two. His own letter, which he says will not contain more than 500 or 600 words, is already prepared and will be made public immediately after that of Governor Cleveland. Mr. Hendricks says that he had no political engagements in the east farther than to meet the presidential candidate, and that they talked over the general features of the campaign, but had no time to discuss particulars. He thought that the democratic would carry New York, as the independent element there was much larger than he had anticipated. On the other hand, he understood there was a slight disaffection among the Irish democrats and workmen, but he did not know what this would amount to.

Gov. Hendricks will remain at home during the greater part of the campaign, and will only make a few speeches. His health is better than it has been for many months.

The Departure of the Archbishop.

ST. LOUIS, Aug. 18.—Archbishop Ryan left for his new diocese of Philadelphia in a special car provided by the Vandallia road. Shortly before eight o'clock the archbishop and attendant clergymen arrived at the depot in carriages. On the platform a large crowd had assembled to take a last farewell. The bishop boarded the train a few minutes before the departure. He was accompanied by Father Eleock, director of the Cathedral at Philadelphia; Father Kurman, president of the seminary; Father Brennan, secretary of the diocese and a committee of Home priests. A committee from the Christian Brothers college at Oate Billante was also present. During the few moments that remained the archbishop stood on the platform of the car shaking hands. He expressed his warm feelings towards his friends in St. Louis, and thanked them for their kindness. As the train pulled out every gentleman on the platform lifted his hat.

A Cranky Chief.

PITTSBURG, Aug. 18.—Max Schamburg, the Austro-Hungarian consul at this city, this morning hoisted a small Austrian flag over the door of the consulate in honor of the fifty-fourth birthday of the emperor of Austria, and Chief of Police Brown, who has been making a vigorous fight against swinging signs, street decorations, etc., immediately ordered it down. Schamburg refused to comply with the order and Brown commenced suit to compel its enforcement. Schamburg claims that the order is in direct violation of the treaty between the United States and Austria, which states explicitly that consuls can hoist their flag over the main entrance of the consulate in any city.

The Cholera.

RICHARDS RESUMED.

The trial of the Backsto Murderer Calls Jerry Cartwright, the Mob Leader, to the Stand—Sheriff McElroy Talks and Richards Ecstasies "The Whole Mob is in Court."

The criminal court convened this morning and to dispose of a few matters Judge Hench temporarily presided. This finished Judge Sinclair ascended the throne and donned the ermine. In the audience was Jerry Cartwright and the men who composed the Decatur mob to lynch Fred Richards. When the prisoner came into court, he looked about him and exclaimed, "Jesus Christ, the whole mob is here!" A ripple of laughter went over the audience and Judge Sinclair ordered Deputy Sheriff Mannix to call the first witness.

SHERIFF MUEK MCGRIFF.

who testified: Am the sheriff of Adams county; visited the house of Amos Backsto the day of the homicide; saw the tracks in the ground; put my boot in the smaller track; I think the larger track was ten inches long; Jerry Cartwright measured track; called at Mrs. Waggoner's; she said she could not recognize the men; the revolver was a 32 calibre; it was not a self-cocker.

Cross-examination—Arrested the defendant the following morning after the homicide; found the revolver on his person, or he handed it to me; saw measured two of the tracks; Mrs. Backsto told me one of the men was a large, heavy man with stooped shoulders.

Re-direct—Mrs. Backsto told me she didn't know who the men were; she stated when I had a man named Brown in my office and made him get down on the floor like the one on the night of the homicide, she said he looked like the large man; Brown was discharged afterwards; after the office was lighted up she said that she did not think Brown was the man.

JERRY CARTWRIGHT.

leader of the Decatur mob, testified—I live at Geneva, Ind.; was at the residence of the deceased, Backsto, the day following the homicide; measured tracks; the largest track was eleven and one-eighth inches long; measured Riley's boots; the boot did not fit the larger track; but fit the smaller track exactly. Here the defense tried to cross-examine their own witness, which is not the rule in evidence governing this, by showing that Cartwright was the leader of the mob that tried to hang Richards. The court ruled against them. The defense wanted to show his animus and interest in the case.

from a fence, but his ankle caught be-
tween the pickets and the little fellow
was nearly dead when discovered.

A hand satchel was stolen from the
Pittsburg road waiting room last night.
It belonged to Joseph Olderman, trav-
eling agent of the Kansas Southern line.

works pumping house to the filter basin
to provide for the return of the water
which escapes while pumping, to the
basin.

cinnati, Ohio, and Miss Carrie Work, of
Lancaster, Ohio, are in the city visiting
at the residence of Judge Work, on West

McWenke, of Sandusky, and Mrs. Mat
Carroll, of Monroeville, are the guests

The city band, one of the finest musical
organizations in the country, will seren-
ade its friends this week. Tan Sar-
riza advised this plan, as it advertises
and gives the band a state reputation.

A. O. Trentman Saturday received
three car loads of sugar from a New
York refinery. Mr. Trentman laughs
heartily at the advertisement he gets in
connection with the nomination of his
salesman to office.

Only forty-five people responded to
the Put-in-Bay excursion yesterday and
Mr. Edgar Kemp put them on the regu-
lar train. The steamer Waite did not
await their arrival and most of the party
enjoyed themselves in other excursions at
Toledo.

Saturday night a young blood and his
siren were pulled by the police in a room
over Thiem's drug store. The youth,
who is in a railroad office, put up
\$40 for himself and the female, who is a
north-side belle, rather voluptuous in
shape. The right names were not given
by the police, else we would publish them.

Yesterday afternoon the W. C. T. U.
held a meeting for the furtherance of the
\$300 fund for the soldiers' reunion, at
the Second Presbyterian church. Mrs.
Judge Lowry presided at the organ.
Mr. Cromwell lead the singing, and the
meeting was called to order by Rev. Mc-
Farland. Speeches were made by Judge
Farland S. Taylor and Rev. M. Kieru.

The shipments of flour, grain and pro-
visions from Chicago to the east dur-
ing the week ending Saturday, August
16, amounted to 28,012 tons, against
22,960 tons during the preceding week,
a decrease of 5,952 tons, and against
29,176 tons during the corresponding
week of 1883, a decrease of 264 tons.
The Nickel Plate carried 11.4 per cent.
of the shipments and the Pittsburg road
15.9.

ceived a baby elephant from a St. Louis
friend, for his baby.

A. Whitehead, an engineer on the
Grand Rapids and Indiana road, returned
Saturday from a visit to Kansas.

Jack Hamilton now operates a black-
smith shop out near his farm. Shortly
Mr. Hamilton will move into the coun-
try.

Bob McDonald is at the "Home" bil-
liard hall. Indianapolis parties wanted
to establish him in business, but he pre-
ferred to come here.

The city band gave a nice picnic at the
Apple Orchard yesterday. The occasion
was orderly and enjoyable. The band
noted quite a handsome sum.

William Homan and Minnie Reiter,
Peter Heller and Wilhelm Wagner,
Knecht, William Schmidt and Louise
Thiele have been licensed to marry.

Frank McNulty, and family, of Logans-
port, were in the city yesterday. Mr.
McNulty will shortly remove to Danville,
Ill., where he will manage a shop of his
own.

Monroe Chief, the stallion with a re-
cord of 2:21, was fatally injured in a race
at Oakland, Cal., the other day. The
horse has trotted on the fair ground
track here.

Mrs. John Rice, the young wife of a
man living at Sheldon, this county, ac-
cidentally shot herself yesterday morning.
The ball lodged in her face but will not
prove fatal.

At night it is darker than a stack of
black cats at the corner of Calhoun and
Wayne. It was the agreement to put a
spark at each street corner on Calhoun
street, but it is not done.

Louis Fox gave a barrel of candy
away to-day and every one is showing
tally. A democratic vote arrived at Mr.
Fox's home Saturday night and Louis is
too proud to talk about the event.

The county democratic central com-
mittee met Saturday afternoon and
elected Messrs. Montgomery Hamilton,
Charles A. Zollinger, Charles A. Munson,
William Fleming and P. S. O'Rourke to

Henry Kampen, of Washington town-
ship, a jolly crowd, rode to-day for New
York where they will sail for Europe in

for a visit to relatives and will be absent
a few months.

In the game of ball at New York Sat-
urday Joe Brown, late of the defunct
Fort Wayne club, pitched for the Chicago
White Stocking club. The Chicago
team won the game by a score of 13 to 9.
Joe struck out four New York players
and Welch, the New York pitcher, struck
out six Chicago men. Brown made two
errors but he made three runs. Flint
caught for Brown who has established
the fact that he is able to pitch for the
best of the clubs.

The village of Wabash is just now no-
tions for its fight and republican ma-
jority. At 10 o'clock Saturday night
Ed Schleyelmitoh, while standing near
the Wabash railroad depot, was ap-
proached by A. D. Vandyne, who with-
out a word struck at him with a dirk-
knife, cutting him on the back of the
neck and inflicting wounds which the
physicians think will prove fatal. The
gashes are an inch in depth and the
knife struck the spinal column. Officers
are now after Vandyne, who disappeared
immediately.

John O'Flanigan Moriarty Scanlon
and T. Sullivan O'Neill Russell are
advised to address the people of Fort
Wayne on "British Gold or American
Labor, Which?" These duffers are hired
to make republican speeches and have
not done a day's work for twenty-five
years. Their object is to explain that
the republican party has received British
gold for twenty-three years and British
newspaper sympathy also, but that as
neither is promised the know-nothing
party now Irishmen should flock to its
support. There is not an Irishman in
Fort Wayne that can't shame these paid
hirelings out of town on a joint discus-
sion.

The Northwestern league will probably
disband this week, as there are so many
clubs gone out of it as to render its ex-
istence longer a farce. There are now
only five clubs in the league, namely,
Saginaw, St. Paul, Milwaukee, Minne-
apolis and Evansville. The latter will
be out of the league by Tuesday. Saginaw
is the leading club in the race for
the pennant with forty games won and
eighteen games lost. Grand Rapids
comes second with thirty-nine games won
and fifteen lost, Quincy third, with
thirty-eight games won and twenty-one
lost. Quincy is an applicant for admis-
sion to the Union association and may be
admitted. It is yet uncertain what the
remaining clubs may do.

Ed Lukens, of Chicago, is in the city.

The Pittsburg pay car went to Valpa-
raiso this morning.

This evening Miss Annie Aumont
leaves for New Albany, where she will
visit friends.

The Fort Wayne reserves played the
Ewing grove nine yesterday. The score
stood 20 to 5.

Tony Girard is now night yard master
in the east Pittsburg yard. He deserves
the promotion.

There was no sermon at the Cathedral
yesterday. Rev. Father Brammer read
the gospel from the pulpit.

Charley Schroeder nicely opened his
billiard hall Saturday night. He sells
none but temperance drinks over the
bar.

Frank Wolke is the happiest man in
the state. A pretty girl baby arrived at
his home yesterday and already the little
cherub holds up tiny fists to her papa.

Geiss, a former Fort Wayne ball tosser,
lately playing with the Detroit league
team, is very ill, and Joe Battin, late
captain and second baseman of the Al-
legany, takes his place to-day.

There was a big democratic meeting
at Avilla Saturday night. Judge Edward
O'Rourke, of this city, was one of the
speakers and made telling points for the
democratic cause of reform and honest
government.

The new state house is growing apace,
and the weather enables the contractors
to make better progress than was ex-
pected. One of the commissioners says
that the legislature of 1886 will sit in the
new capitol beyond doubt.

The Catholic Knights met yesterday
and decided to attend divine service next
Sunday at St. Peter's church. The Sir
Knights will meet at Library hall and
proceed in uniform to the church, where
Rev. Father McManan will administer
communion.

The house of Ballard Bowman, in Lafayette
township, was burglarized yester-
day while the family were attending divine
service. The carpets, beds and furniture
were all disturbed, when the people ar-
rived home from church. Three dollars in
coins, all they found were taken. Neigh-
borhood boys are suspicious of doing
the job.

Owing to the business depression J.
Marshall Coughlin will suspend twenty men
in his lumber yard. A machinist in the
Pittsburg shops yesterday remarked:
"I've been a republican, but when we
can only work five days a week and be-
sides see hundreds of poor men out of
employment I begin to think the doc-
trine of tariff protection is a fraud and a
lie. I will vote for a change."

One day last week a fellow traveling
from Pennsylvania to California by
chance stopped at the artesian
well, advertising himself as a
corn doctor. Upon doing so he con-
tracted a big job. Tom Crawford had a
huge haul taken from his little toe.
It is said to have weighed five ounces.
After being relieved of the pet Crawford
began cheering for Cleveland and Hon-
dicks.

Early Sunday morning a frightful ac-
cident occurred on the Wabash road.
James Flynn and James Noonan were
walking west, en route to the prairie for
a shoot, when a freight train approached
unnoticed by them. Flynn was struck
and instantly killed, his body
being cut to pieces. Noonan only
suffered a dislocation of the shoulder and
spinal injury that injury tried to push
Flynn from the track. Noonan was
taken to his home at No. 6 Kansas street
where Flynn also boarded. Flynn was
buried yesterday. Dr. J. M. Dinneen,
the coroner, returned a verdict of acci-
dental death.

Governor Porter has written to the
clerk of the Whitley criminal court, sug-
gesting the propriety of employing a
competent force to prepare the record
promptly in the Butler murder case. It
will be remembered that the attorneys of
Charles W. Butler, sentenced to be hang-
ed for wife murder, have petitioned the
governor for a stay of execution in order
that the 12,000 pages of the record may
be prepared and presented as argument
in the plea for commutation of punish-
ment to imprisonment for life. Butler's
attorneys put in a side issue, also, of in-
sanity. The probability is that the re-
cord will have to be produced before the
governor will interfere, and it is by no
means certain that he will then.

The following letters are advertised in
the Fort Wayne postoffice: Mrs. J. F.

The Mt. Salem Baptist Conference.

Last Friday morning at 10 o'clock, in
the Redding Grove, one and one-half
mile east of Zanesville, in this county,
the Mount Salem Baptist association met
for a three days conference which ended
yesterday with the best of satisfaction.
This morning at 10 o'clock a meeting was
held for the purpose of administering
the ordinance of Baptism upon our well
known and respected citizens, Isaiah
Reddin and wife of Lafayette township.
Yesterday the beautiful grove was visited
by some two thousand people, who lis-
tened very attentively to the able re-
marks of Elder John Buckles, of Dela-
ware county, who has been in the
ministerial service of the Baptist church
for fifty-seven years.

After refreshments, Elder Lyons, of
Wabash county, delivered a very able
lecture from the eighth chapter of He-
brews. Among the many able ministers
present were Elder Benjamin and Falley,
of Kosciusko county; Elder Dale,
of Wabash county; Elder Wm. Sparks,
of Coshocton county; and Rev. Wm. Buckles,
of Blackfoot county. At 4 o'clock Elder
John Buckles dismissed the large and re-
spectable congregation, leaving the fine
grove in a deserted appearance, to be
occupied again in the near future by the
same association.

Nervous, dyspeptic individuals, whose
distress of mind and body make life mis-
erable, if your sufferings have been pro-
longed and increased by the use of bit-
ter and pretended cures of kidney and
liver diseases, throw all such nostrums
aside and find health, strength and vigor
in that simple remedy known as Dr.
Guyot's Yellow Dock and Sarsaparilla.
It purifies the blood, strengthens the
urinary and digestive organs, and infuses
new life into all parts of the body. No
other remedy equals it. Have your druggist
get it for you.

The Mormon elders who were killed
by masked men in Lewis county, Ten-
nessee, last Sunday, will be interred as
saints at Salt Lake.

To the Public.

The Wabash, St. Louis and Pacific
railway has given notice that on and
after Sunday, August 10th, express trains
Nos. 2 and 3, between St. Louis and
Kansas City, which some months since
were discontinued on Sundays, will be
run daily, thus affording passengers ev-
ery facility for making close connections
at either city with trains for all other
points. The running of these trains on
Sundays will give passengers four daily
express trains between St. Louis and
Kansas City, a morning and evening
train in both directions. The leaving
and arriving time are as follows:

From St. Louis union depot, daily at
9:10 a. m. and 8:25 p. m., arriving at

The reunion of the 37th and 44th regi-
ments, of which mention has been made
in these columns, occurs at Huntington
next Wednesday. Preparations have
been made for a grand time and a large
crowd is expected.

From all appearances Pete Morgan-
thaler will have one of the finest stores,
both in its arrangement and stock of any
clothing house in the city. Pete is a fa-
vorite and will have a booming trade,
and all will be rejoiced to learn of the
excellent prospects with which he is en-
tering upon his new field.

Julius Roy, a vicious Frenchman, lives
on Jennison street. Last night he grew
furious, and at the point of a revolver
drove his wife and children from home.
He guarded the house and swore he would
kill the first one that approached. Officer
Fred Wahrburg was not frightened and
promptly collared the fellow and looked
him up. He was fined at police court
and paid the assessment out of \$30 in
gold he carried with him. It is believed
the man is of unbound mind and may do
harm.

There was a great ratification meeting
at New Haven Saturday night and Hon.
Robert Lowry, Henry Colerick, Judge
S. M. Heuch and J. M. Robinson made
eloquent speeches. Allen, the captain
of the republican club, a fellow named
Meyers, and other republican howlers
went down to create a disturbance and
were slugged. Meyers was knocked
down while trying to cut the drums, by
John Baker. Outside of the trouble
with these drunken republican leaders
and blackguards, the trip was orderly.

A MARY WEDDING.

William Bradley, of the Lighthouse Snap,
Arrested for Seducing Catherine
Kenall, Daughter of the
Councilman--A Double
Wedding.

This afternoon Miss Catherine Ken-
all, the pretty daughter of Councilman
Jack Kenall, of the First ward, filed
an affidavit in Ryan's court charging
William Bradley with seduction under
promise of marriage. Bradley is a mem-
ber of Dr. Lighthall's party and was
promptly arrested. With him came
Sergeant Labree, of the nostrum gang.
In the court room were Miss Kenall and
her friend, Ada Conte. The men at once
proposed marriage, procured two licenses
and were united by Justice Ryan. Both
girls are pretty and permitted the spec-
tators to press their lips. Councilman
Kenall was present and tears came to
his eyes as he witnessed the ceremony.
Other cases will follow against other
of Lighthall's men, who are festive.

A Show With Twenty-Five Trained and a
White Elephant.

Adam Forepaugh's Great Zoological
Collection contains among its ark-full of
rare animals twenty-five performing ele-
phants and the wonderful White Ele-
phant of Siam. Of this feature, and the
show, an exchange remarks:

"The twenty-five elephants was an-
other feature in the evening's entertain-
ment which everybody present will long
remember. It is impossible to conceive
the perfect docility and training of
these intelligent animals. They actually
seemed to understand the meaning of
every gesture of their masters, and man-
euvered with wonderful precision and
steadiness. Everything went off to the
satisfaction of all present. The menag-
erie is the best we have ever seen, com-
prising a very complete and varied zo-
ological collection; and we advise any of our
readers who have not been able to be
present last night, to be sure to attend
this afternoon or this evening, as this is
certainly one of the few opportunities
they will perhaps have for a long time to
come of enjoying something really instruc-
tive, amusing, and, we may add, amaz-
ing."

That Tired Feeling

The warm weather has a debilitating effect,
especially upon those who are within doors
most of the time. The peculiar, yet common,
complaint known as "that tired feeling,"
is the result. This feeling can be entirely
overcome by taking Hood's Sarsaparilla,
which gives new life and strength to all
the functions of the body.

"I could not sleep; had no appetite. I
took Hood's Sarsaparilla and soon began to
sleep soundly; could get up without that
tired and languid feeling; and my appetite
improved." R. A. SANFORD, Kent, Ohio.

Strengthen the System

Hood's Sarsaparilla is characterized by
three peculiarities: 1st, the combination of
remedial agents; 2d, the proportion; 3d, the
process of securing the active medicinal
qualities. The result is a medicine of unusual
strength, effecting cures hitherto unknown.
Send for book containing additional evidence.
"Hood's Sarsaparilla tones up my system,
purifies my blood, sharpens my appetite, and
seems to make me over." J. F. THOMPSON,
Register at Deane, Lowell, Mass.

"Hood's Sarsaparilla beats all others, and
is worth its weight in gold." I. D. BARKINGTON,
130 Bank Street, New York City.

A FAMILY FUSE.

Oliver J. Burnam Objects to the Maneuvers
of His Wife and Throws Her Out--
He is Arrested for Breach
of the Peace.

There was a big racket at room No. 7
in the Ewing hall Saturday night, and
for a time it was believed some one
would be perforated. Recently Mr. and
Mrs. Oliver J. Burnam fitted up apart-
ments there more or less luxuriantly and
bliss was the only other article that
manifested itself. Saturday night Burn-
am proceeded to his room and the situa-
tion did not suit him to any extravagant
extent, so he fired Mrs. Burnam into the
street. Later he consulted with a second-
hand dealer and sold the household goods
which were carted away. When Mrs.
Burnam returned to her room she found it
pretty well cleaned out. This morning
the woman filed an affidavit against her
husband, charging him with surety of the
peace and attempting to take her life.
The constable is after Burnam. Ewing
hall is getting a hard reputation and
quite a number of young men who had
elegant apartments there, have abandon-
ed them. The Arion society will also
object to the queer gang who now inhabit
the house.

Hard to Believe.

It is hard to believe that a man was
cured of a kidney disease after his body
was swelled as big as a barrel and he
had been given up as incurable and lay
at death's door. Yet such a cure was ac-
complished by Kidney-Wort in the per-
son of M. M. Devereaux of Ionia, Mich.,
who says: "After thirteen of the best
doctors in Detroit had given me up, I was
cured by Kidney-Wort. I wait every
one to know what a poon it is."

Michigan Island

"She sits like Beauty's child whom Nature
For Men to see, and seeing, wonder at."

The Wabash, St. Louis and Pacific
and the Michigan Central railroads are
facile princeps in the matter of excu-
sions. In addition to the delectable
popular White Mountain, sea shore and
Muskegon Lake pleasure tours, they have
now arranged a series of special excu-
sions to the grandest and loveliest of all
Michigan scattering spots.

MACKINAC ISLAND.

August 8 and August 22, 1894, at the
following unparalleled rates for the
round trip, viz: From Fort Wayne, \$3.50;
from Ann Arbor, \$3.10. Tickets good
starting from stations on the Wabash,
St. Louis and Pacific railroad on the
above dates, as well as the evening train
of preceding days, good to return until

Excepting the most inaccessible Yel-
lowstone Park, there is no spot in the
New World that more nearly unites in
itself all the glories, beauties and ad-
vantages that constitute a perfect tour-
ist's paradise.

For time card, sleeping car accommo-
dations or other information, address the
agent of the Wabash, St. Louis and Pa-
cific railroad, or M. O. Roach, southern
passenger agent, and W. H. Greager,
traveling passenger agent of the Michi-
gan Central railroad, Toledo, Ohio, who
will personally conduct the excursion.

TEAS: Japan, Young Hyson,

Our great Tea trade is the wonder of this part of the country. There is no secret in it; it is
simply our purchasing our Teas in large lots direct of the importers in New York and re-
siding direct to our customers at small profit. This saves to our customers the intermediate profit
of the jobber, speculator and wholesale merchant, which is at least 10 to 20 cents per pound.

But the Greatest Decline and Bargains of All is on
Prunes.

The best Turkish Prunes now reduced to 6 cents per pound. They are new fruit and the
finest in the market. The low price of Prunes is owing to the fact that Turkey had so im-
mense crop this last season. Never in the history of the country have they been sold so cheap
as at the present time.
